## Our history

LCF Fun Languages operates pre-school, childcare centre, kinder, Montessori, before and after-school language learning centres across Australia. Operating throughout Europe, Australasia, South America and Asia, LCF started teaching languages in 1985 with a method based on the natural way that children acquire a language.

## Our Approach

Children learn through a combination of drama, storytelling, technology, songs, craft, and games. They rapidly acquire enough knowledge and confidence to enjoy using the language for communication and expression. LCF Fun Language programs are designed to give children the confidence to speak in either French, Spanish, Mandarin Chinese, Italian, German or English. ‘ Learn to speak a new language across Australia.’
