

## OLGC INSTRUMENTAL TUITION 2021

The tuition program is an excellent opportunity for the band to develop in size and standard and students to receive high quality tuition on school premises.

### TUITION PROGRAM

Tuition is compulsory if a student wishes to be a part of the band program. We are very fortunate to be able to offer onsite music tuition at OLGC.

Lessons are 30 minutes and tutors will be available from 11.00 until 3pm. You can put in a request for an after school time slot if the tutor is available. We are hoping to have our tuition start in week 4.

Private music tuition is a serious commitment and requires the student to practise regularly to enhance what has been demonstrated in lessons.

### COMMITMENT TO TUITION

It is expected that students will enrol for tuition for a minimum of one year. If a student decides to withdraw from lessons, notice must be given to Janella Fyfe in writing before the end of the term.

If a student is ill, a minimum of 24 hours notice should be given to the tutor to avoid being charged for the lesson.

Please ensure your child brings their instrument, music and is aware of their lesson times to minimise tutors chasing up students.

### FEE STRUCTURE

Charges for lessons may vary slightly between tutors. Tutors will make their own billing arrangements with parents. Fees will be due at the start of each school term. Each term will consist of approximately 9 weeks. This allows for catch up lessons in the last week of school.

Private lessons are approximately \$40 for a half hour lesson and are paid directly to the tutors. There is also a room hire fee applied by the CSO for all private lessons.

## TUTORS

All tutors are highly recommended and experienced. Once we have received your requests, the tutors will then be in touch with you to confirm your day and time.
