

Term 3 Overview

Religion

This year we are very excited to be beginning a play-based approach to Religious Education influenced by the principles of Maria Montessori. We will be using a specially created prayer space where the children will have the opportunity to self-direct their responses to bible stories through creative arts and practical life tasks.

The works we will be exploring are:

- Liturgical Colours
- Liturgical Calendar
- Transfiguration
- St Mary MacKillop
- The Assumption
- The Mustard Seed
- The Parable of the Treasure
- The Parable of the Leaven

Inquiry

(History/Geography/Science and Technology)

How and why are people and animals important in each others lives?

Main Idea: In this unit students' will explore a variety of living things, identifying their basic needs, including food, shelter and water. Students will explore and investigate how we support and engage with one another for example; cows provide us with milk, chickens provide us with eggs and guide dogs support people who are blind to move around their environment.
